

# ANTI-CHRISTMAS BINGO

Have you been naughty or nice?

<p>Ended up in a family argument.</p>	<p>Spent paycheck in compulsory presents.</p>	<p>Wore ridiculous festive sweater.</p>	<p>Realized you know nothing about the people you are shopping for and bought generic gifts instead.</p>	<p>Sent Christmas card to relative you can't stand.</p>
<p>Complained about the weather repeatedly.</p>	<p>Posted compulsory Christmas pictures on social media.</p>	<p>Criticized Starbucks Christmas cups.</p>	<p>Chopped off happy pine tree only to dispose of it weeks later.</p>	<p>Purchased gift for someone you won't even wave "hello" to the rest of the year.</p>
<p>Noticed slushy yellow puddle right after making snow angels.</p>	<p>Baked cookies with that neighbor you don't get along with.</p>	<p>Tackled shopper over a toy in the department store.</p>	<p>Sat down at the table hoping no one brings up politics.</p>	<p>Watch same Christmas movies all over again.</p>
<p>Shoved through the crowd at the Christmas market.</p>	<p>Gave your best wishes to someone you profoundly dislike.</p>	<p>Gave it to someone special.</p>	<p>Received gift you didn't like and browsed on eBay for market value.</p>	<p>Donated money to remote charities while being a dick to refugees in your city.</p>
<p>Put up shiny balls and lights to brighten up the darkness that lurks in every corner of your soul.</p>	<p>Scrubbed candle wax off ancient dining-room mahogany table.</p>	<p>Planned a post-Christmas diet to lose those extra pounds.</p>	<p>Bought overpriced ticket for New Year's Eve party, along with overpriced clothing to be worn once.</p>	<p>Wondered how many people commit suicide this time of year.</p>
